"Which of these three, in your opinion, was neighbor to the robbers' victim?" He answered, "The one who treated him with mercy." Jesus said to him, "Go and do likewise." - Lk 10:36-37

Today we listen to remarkable stories of hospitality. As a community, we are called to extend the same kind of hospitality Abraham and Sarah extended to their guests. What they discovered is what awaits our discovery—the presence of God is manifested when we reach out in welcome to all.

I welcome Sara Kirtlink and Jeanne DeMelim as new coordinators of our PEP program. They will help to coordinate and run the PEP program which will be held at the Chariho Middle School again this year. They bring their experience and expertise to once again teach our young people to love our Lord and know their faith. I ask all of you to pray for them and support them as they and others undertake this important of all tasks. Most importantly let us pray for our children and teenagers that the Holy Spirit be upon them to watch over them and protect them.

**FROM
THE
PASTOR**

In the story of Martha and Mary we may find it easier to relate to Martha than to Mary. Like Martha we can be anxious and worried about many things. Many people today are worried and anxious about the future. Will I have a job? Can I support my family? Can I send my kids to the school of their choice? Can I care for my parents as they get older? These and many other questions can leave us worried and anxious.

In the middle of all the noise and confusion that was part of Martha and Mary's home when Jesus and his friends arrived, Mary recognized the importance of Jesus being in the middle of this confusion. Mary realized that Jesus was in the middle of all this mayhem! She drew her strength from the presence of Jesus in her life. Jesus was offering the same chance that Mary had. Jesus was saying I am with you. Jesus would be there to help her in all the challenges of her life. He would give her what she needed. Strength, patience, wisdom, fortitude. He offers the same to us in our daily challenges whether it be getting the kids off to school or time or caring for sick elderly parents. He is as present to us today as he was to Martha and Mary.

REFLECTION: "It is superficial in the extreme to regard abortion as merely a 'choice.' ... The chief obstacle to reversing abortion is the 'facelessness' of the unborn. People do not witness the facial inscription that pleads, 'Do not kill.' By contrast, animal-protection groups used media to their advantage most effectively by showing the clubbing of seal pups in northern Canada. The televised images of young seals helplessly facing the mortal blows... moved people to protest vehemently against the practice..."
